Re: *FCS Advisors, LLC, v. Theia Group, Inc., et al.*, Case No. 21
Civ. 6995 (PKC)

Dear Judge Castel:

We write on behalf of Basler Turbo Conversions, L.L.C. (“Basler”), with the consent of CogniSphere, regarding the in-person conference set for January 22, 2025 at 12 P.M. (ECF No. 482) to respectfully request that it be rescheduled to the week of February 17, 2025.

Paul J. Stockhausen of Reinhart, Boerner, Van Deuren, s.c. has the substantive knowledge necessary to address the status of the parties’ dealings and any questions from the Court. Mr. Stockhausen is in Texas and, regrettably, cannot travel to New York on Wednesday due to appearances in other matters that were scheduled before the Court ordered this appearance to proceed in-person. In addition, we understand that the parties continue to work to complete the delivery of the at-issue aircraft—with two planes to be delivered by the end of this week (*i.e.* by January 24) and the third during the week of February 10. For these reasons, we believe that it would be the most efficient use of the Court’s resources to reschedule the conference after the anticipated delivery is complete. At that time, the parties should be able to provide the Court with an accurate and complete update on the status of the planes.

Thank you for your attention to this matter.

Regards,
/s/ Anne B. Sekel
